

# **THE FRAUNHOFER SOCIETY:**

## **A Unique German Contract Research Organization Comes to America**

A. Duff Mitchell

for

U.S. Department of Commerce  
Office of Technology Policy

Dr. Phyllis Genther Yoshida  
Project Director

August 1998

## Table of Contents

<b>Forward</b> .....	7
<b>Acknowledgements</b> .....	9
<b>Executive Summary</b> .....	11
<b>Part 1</b>	
<b>The German Innovation System and the Fraunhofer Society</b> .....	15
<b>1.1.</b> Introduction .....	15
<b>1.2.</b> The German Social Market Economy .....	15
<b>1.3.</b> The German Science and Technology System .....	18
<b>1.4.</b> Filling the Innovation Gap in a Social Market Economy ..	20
<b>1.5.</b> End Notes .....	20
<b>Part 2</b>	
<b>The Dynamics of the Fraunhofer Model of Government-Industry Partnerships</b> .....	21
<b>2.1.</b> Fraunhofer Mission and Strategic Focus .....	21
<b>2.2.</b> The Fraunhofer Establishments .....	21
<b>2.3.</b> The Fraunhofer Model .....	22
<b>2.3.I.</b> Government Funds Supplement Total Revenues ..	22
<b>2.3.II.</b> Research Performed by High-Skilled Low-Cost Students .....	25
<b>2.3.III.</b> Contract Research Captures “Cycles of Development” .....	26
<b>2.3.IV.</b> Patent Policy Gives Edge in Controlling Technology	27
<b>2.3.V.</b> Not-for-Profit Status Allows Pursuit of Innovation Gap .....	27
<b>2.4.</b> The Fraunhofer Organization .....	28
<b>2.4.I.</b> Administration .....	28
<b>2.4.II.</b> Strategic Direction .....	28
<b>2.5.</b> Fraunhofer Contract Research .....	29
<b>2.5.I.</b> Capabilities .....	29
<b>2.5.II.</b> Research Fields .....	29
<b>2.5.III.</b> Range of Services .....	31
<b>2.5.IV.</b> Customer Base .....	32
<b>2.5.V.</b> Marketing .....	33
<b>2.6.</b> Fraunhofer Government Relations .....	34
<b>2.6.I.</b> Economic Development .....	34
<b>2.6.II.</b> Technology Policy Development .....	34

# THE FRAUNHOFER SOCIETY

<b>2.7.</b> Fraunhofer International Contract Research . . . . .	34
<b>2.8.</b> The Essence of the Fraunhofer Model . . . . .	35
<b>2.9.</b> End Notes . . . . .	38

## Part 3

### The Fraunhofer Society Goes International . . . . . 39

<b>3.1.</b> Globalization Strategy . . . . .	39
<b>3.1.I.</b> New Markets . . . . .	39
<b>3.1.II.</b> More Intense Competition . . . . .	39
<b>3.1.III.</b> International Networking . . . . .	40
<b>3.1.IV.</b> Multinational Customer Requirements . . . . .	40
<b>3.1.V.</b> Technology Acquisition . . . . .	41
<b>3.1.VI.</b> International Funding . . . . .	42
<b>3.1.VII.</b> Greater Scope for Research Abroad . . . . .	43
<b>3.2.</b> International Expansion Objectives . . . . .	43
<b>3.3.</b> Fraunhofer in Asia . . . . .	44
<b>3.4.</b> End Notes . . . . .	45

## Part 4

### The Fraunhofer Society Comes to America . . . . . 47

<b>4.1.</b> The American Market for Contract Research . . . . .	47
<b>4.2.</b> Fraunhofer USA's Mission . . . . .	47
<b>4.3.</b> Fraunhofer U.S. Tax Status . . . . .	48
<b>4.4.</b> Fraunhofer USA General Activities . . . . .	48
<b>4.4.I.</b> Headquarters: Fraunhofer USA . . . . .	49
<b>4.4.II.</b> Fraunhofer Resource Centers (FRC) . . . . .	49
<b>4.4.III.</b> Fraunhofer Centers for Research . . . . .	49
<b>4.4.IV.</b> Fraunhofer Teaching Factories . . . . .	49
<b>4.4.V.</b> Technology Support Services to Fraunhofer U.S. Network . . . . .	50
<b>4.5.</b> The Fraunhofer USA Network . . . . .	51
<b>4.5.I.</b> Fraunhofer Resource Center - Massachusetts (FRC-MA) . . . . .	51
<b>4.5.II.</b> Fraunhofer Resource Center - Michigan (FRC-MI) . . . . .	52
<b>4.5.III.</b> Fraunhofer Resource Center - Delaware (FRC-DE) . . . . .	53
<b>4.5.IV.</b> Fraunhofer Resource Center - California . . . . .	54
<b>4.5.V.</b> Fraunhofer Resource Center - Pittsburgh . . . . .	54
<b>4.5.VI.</b> Fraunhofer Center for Research in Computer Graphics, Providence, Rhode Island . . . . .	54

# THE FRAUNHOFER SOCIETY

<b>4.5.VII.</b> Fraunhofer Center - Maryland .....	56
<b>4.5.VIII.</b> Fraunhofer Teaching Factory: Hialeah .....	56
<b>4.6.</b> End Notes .....	58
 <b>Part 5</b>	
<b>The U.S. Innovation System and the Fraunhofer Society ..</b>	<b>59</b>
<b>5.1.</b> Preliminary Observations: Key Elements of Success .....	60
<b>5.1.I.</b> Government Funding Linked to Market Orientation	60
<b>5.1.II.</b> Bridging Academic and Industrial Research .....	60
<b>5.1.III.</b> Focus on Technology Transfer Needs of Both Small and Large Companies .....	61
<b>5.1.IV.</b> Leveraging Economic Development .....	61
<b>5.1.V.</b> Technology Transfer Organized Around Centers of Excellence .....	62
<b>5.1.VI.</b> Decentralized Structure but One Set of Technology Transfer Rules .....	62
<b>5.2.</b> Preliminary Observations: Possible Long Term Disadvantages .....	62
<b>5.2.I.</b> Dependence on German Know-How and Equipment	62
<b>5.2.II.</b> Focus on German Technology and Investment Interests .....	63
<b>5.2.III.</b> Social Market Economy Partnerships Provide Strong Competitive Edge .....	63
<b>5.2.IV.</b> Focus on “Entrepreneurial” Interests Not “Economic Development” .....	65
<b>5.2.V.</b> Patent Policy Results in Fraunhofer Control of Patents .....	65
<b>5.2.VI.</b> Not-for-Profit Tax Status with Commercial Focus .	65
<b>5.3.</b> Conclusion .....	66
<b>5.4.</b> End Notes .....	67
<b>Appendix “A”: The Fraunhofer Network ..</b>	<b>69</b>
<b>Appendix “B”: Federal &amp; State Cooperative Technology Programs .....</b>	<b>73</b>
<b>References .....</b>	<b>93</b>
